Mr. Henry Rowen
Chairman
National Intelligence Council
Room 7-E 62, Headquarters
Central Intelligence Agency
Washington, DC 20505

Dear Mr. Rowen,

We are pleased that you will be attending our "Trans-Atlantic Conference on East-West Trade" August 25-26, 1983.

Enclosed you will find several pieces of information regarding the logistics and general format of the conference: an information sheet; a card for you to fill out and mail to the Inn where rooms have been reserved (mail no later than August 1!); a map with the location of the conference circled; an agenda; an updated list of participants and their affiliations; and an alphabetical list of paper givers and the titles of their papers.

We feel the discussions of the issues would be enhanced by the contributions of designated discussants. We would like to ask you to be one of two such discussants for [redacted] paper, "East-West Trade: Soviet Benefits and Vulnerabilities." Please let us know as soon as possible if we can look forward to your presentation in this capacity.

Insofar as the papers to be discussed are concerned — with the exception of mine which is enclosed — they will be mailed to you a week or so before the conference.

Please let us know if we can be of further assistance. Meanwhile, we look forward to seeing you here.

INFORMATION SHEET FOR CONFERENCE PARTICIPANTS

ACCOMODATIONS: We have reserved a block of rooms for the nights of August 24 and 25 at the Stanford Terrace Inn in Palo Alto. Please make your own reservations by completing the enclosed card and returning it directly to the Inn no later than August 1. For your information, the Inn provides a complementary continental breakfast, but if a more substantial meal is desired, the Inn can recommend a restaurant within walking distance.

AIRPORT TRANSPORTATION: The diversity of arrival and departure times makes it infeasible for Hoover personnel to meet planes or return people to the airport. Therefore, we are asking that you make your own arrangements. We suggest that you might call Airport Connection which runs shared limos between the airport and the Stanford Terrace Inn. (Telephone: (800) 227-6336 or in this area code: (415) 841-0150) If you have not made reservations you may make an arrangement directly at the San Francisco Airport Limo Desk upon arrival.

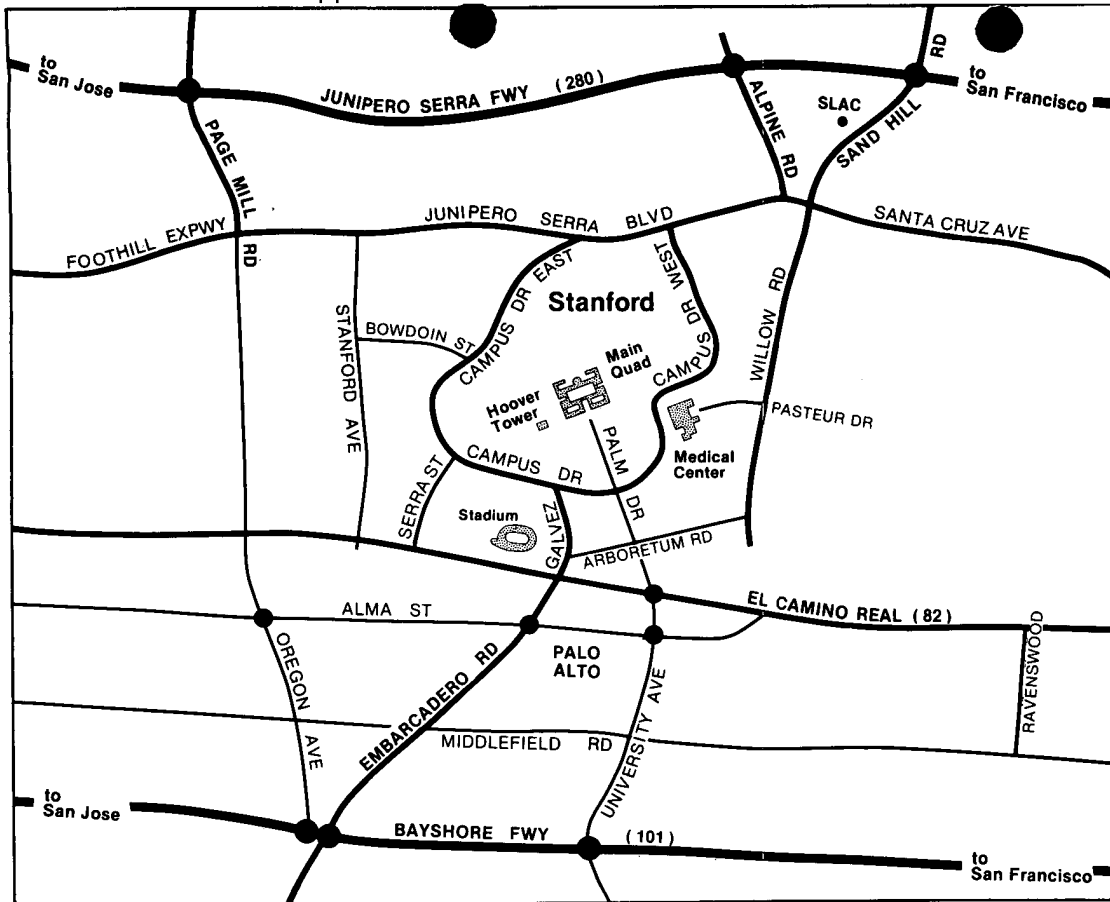

LOCAL SHUTTLE TRANSPORTATION: We will provide transportation by van between the Stanford Terrace Inn and Hoover. Alternatively, you may be able to ride with participants who have their own cars or rental cars. (Of course, on nice days you may choose to enjoy the short walk.) Though changes may be necessary, the schedule for such shuttles will coincide with conference and meal times. These specific times will be posted at the Stauffer Auditorium each day. However, at 9:15 a.m. daily, the vans will be ready to transport you to Hoover.

PARKING AT STANFORD: People driving their own cars or rented cars may park on the Stanford campus in the pay lot noted on the enclosed map. Be prepared to place three quarters in the slot for each day.

FINDING THE CONFERENCE: Please come to the reception desk in the Herbert Hoover Memorial Building (HHMB circled on the map). You will be directed to the conference facilities.

TELEPHONE NUMBERS: Incoming messages may be left for you at the following telephone numbers: (415) 497-0858 or, if no answer, Hoover Information: (415) 497-1754.

EXPENSE CLAIMS: You should submit your expenses to this office as soon as possible after the conference. We will need your name, home address, telephone number (social security number for U.S. residents) as well as original receipts for airline, hotel and transportation costs incurred.

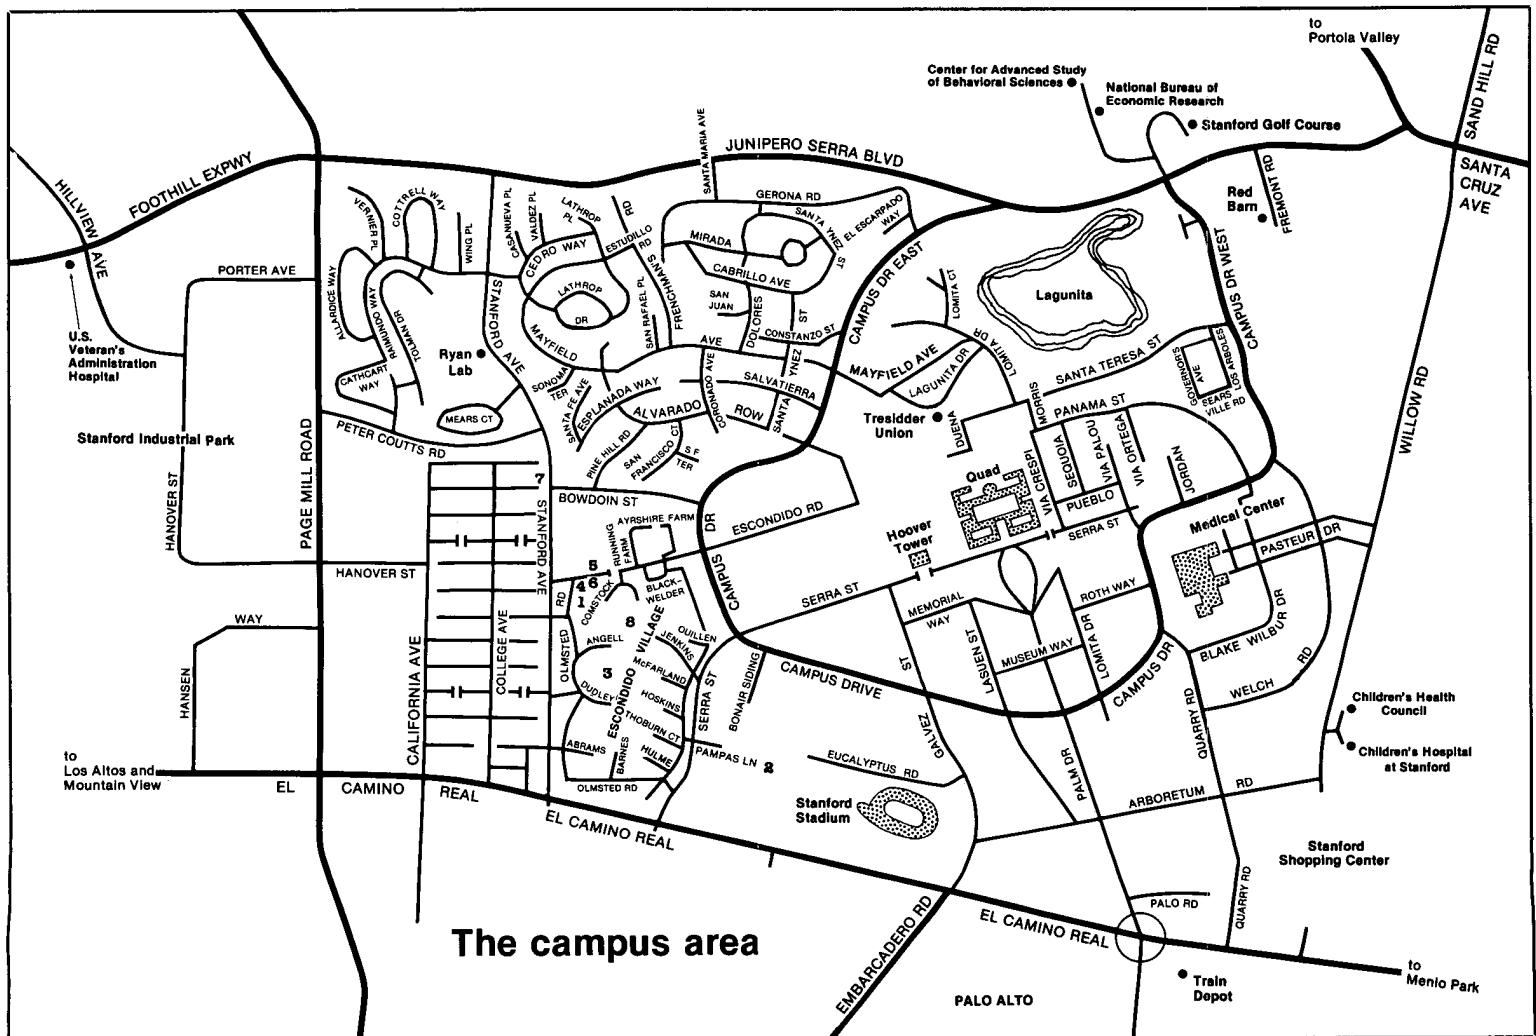

Approaches to the Stanford campus from freeways 101 and 280

Stanford University is on the "Peninsula," in the county of Santa Clara, approximately 30 miles southeast of San Francisco and 20 miles northwest of San Jose.
